Always ready to change—and learn

Change has a way of calling for more change, and no realm is shifting quite as rapidly as education. At Fixtures, supporting change means outfitting perfect learning environments—spaces that are adaptable, collaborative, durable, and technology-ready.

But learning environments are not only classrooms—learning can happen anywhere, from a café to a cozy hallway nook. Fixtures' learning-focused designs blend seamlessly with all the izzy+ brands to make the most of every kind of space, from training and conference rooms to lounges, labs, and cafés. 3-2-1...Learn!

3-2-1 spaces offer something for everyone.

- 3 **Refresh:** Third Spaces
Places you don't have to be (but gravitate toward them, anyway).
- 2 **Meet:** Second Spaces
Those rooms and nooks for gatherings with an agenda and time frame.
- 1 **Focus:** First Spaces
Heads-down solo workspaces, but with features that welcome collaboration.
