

Sylvi™

izzy®

# The skinny on Sylvi

From workspaces and lobbies to student centers, cafes, and (yep!) living rooms, Sylvi's just-right balance of residential appeal and contract features add up to irresistible 3rd Space destinations.

## Features

- Choose from a wide range of rectilinear and angular shapes and sizes for ultimate scalability
- Powder coated steel frame provides a durable structure and makes cleaning a breeze
- Freestanding and ganged tables inspire numerous configuration options

## Options

- Sylvi is designed to be completely freestanding, but can also be ganged together (front-to-back or side-to-side), allowing for customization that stays put
- Laminated back panels offer varying degrees of openness and privacy
- Individually corded or consecutively connected power and USB charging modules for mobile technology
- Coat Rack, Magazine Rack, and Lolli-Top accessories attach into channels under lounge
- CAL133 upholstery options available

## Design

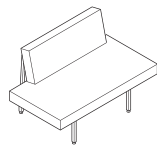

- Designed by Joey Ruiters
- Features clean lines and a modernist design philosophy for timeless appeal
- Simple form language of the lounge pieces allows bold and complex patterns to display without interruption
- Fabric yield is maximized by removing upholstery seams and allowing fabric to waterfall over lounge edges

## Environmental

- SCS Indoor Advantage Gold certified
- BIFMA level® 1 certified
